  - Extension Administration
Water Summit Objectives

- **Statewide Priority Plan(s) of Action**
  - Outcomes, Audiences and Educational Programs
  - Needs and support for faculty to implement

- **Form teams and determine next steps**

- **Ensure the Success of the Extension Water Initiative**
Water Summit – working together

- Respect for the past, broader understanding of present, common focus on desired future

- Get the right people in the room, allow them to manage choices and take responsibility for action

- Encourage inclusion and dialogue through structure and ground rules
Water Summit Results can....

- Inform Action Plans
- Inform Action Teams
- Inform the Water Initiative
- Inform Extension Admin
  - What programs can have major impact?
  - What can “We hang our hat on?”
- Inform IFAS Strategic Plan
